

A small change, in words

Pinecones • Curiosity day

Name _____

Date _____

Give a clear command for watching a cone.

Room between scales

A cone closes

Two dishes, one clue

Draw an open cone beside a closed cone. Show the gaps between the scales.

pinecone • scale • dry • wet • open • close • seed • slowly

Watch ... tell which cone to observe

Compare ... tell which shapes to compare

Draw ... tell which details to include

Does your command begin with an action word, such as Watch, Compare, or Draw?
